Hi Emilio, Cristina, and Caprice:

I look forward to the facilities portion of the LAAC check-in call this afternoon and would like to use our time to primarily debrief following Tuesday's meeting with Nick. Below is the framework, including a guiding question, for our 30-minute portion beginning at 12pm. Although noted on the calendar invite, just a reminder that the call-in number is 213-788-2949 (no pin). Thanks!

1. Context (2 minutes)
2. Nick Melvoin meeting initial reaction and debrief (8 minutes)
3. Guiding Question: What general advocacy strategy should we adopt toward generating awareness and a campaign to build support for facilities policy change? Consider (i) Nick's suggestion toward utilizing a working group to further develop the proposals and move viable options toward implementation (i.e., quieter/more behind-the-scenes advocacy) or (ii) building a public, vocal, and highly-visible campaign designed to create motivation and pressure for facilities policy change. (10 minutes)
4. Next Steps (10 minutes)

Best,

Jason J. Rudolph
